Member of the European Federation of Organisations for Medical Physics (EFOMP) and the International Organization for Medical Physics (IOMP)

## DESCRIPTION OF MIP TASK GROUP

### Task group name

Classification of radiological examinations

### Chair person

Elina Samara

### Aims and roadmap

To classify frequent radiological examinations into categories according to their typical effective dose.

### Anticipated results

- Report
- Recommendation
- Other (ex: position statement, scientific statement, advice notice, practice guidelines, ...):  
Position statement

### Science relevance

Dosimetric evaluation of typical radiological procedures

### Professional relevance

Practical guidelines for the classification of the radiological examinations

### Educational relevance

-

### Start date

August 2017

### End date

September 2018
