

Due to the departure of our colleague, we are currently looking for a motivated and experienced Medical Physicist to join our radiotherapy team of Clinique des Grangettes - Hirslanden.

Opening: Medical Physicist 100% (permanent contract)

- Founded in 1933 Clinique des Grangettes - Hirslanden aims to combine clinical excellence, top patient care and research within the comforts of a private hospital setting. The Radiation Oncology department offers a dynamic work environment, desiring to implement the latest technologies. The radiation team consists of 2 radiation oncologists, 2 medical physicists, 6 technicians, 1 dosimetrist and 2 secretaries.
- Skills & Experience Required:
 - A proven professionalism and a demonstrated ambition that only the best treatment is good enough;
 - Scientific curiosity and preferably a research track record (PhD);
 - Functioning well within the team and in a multidisciplinary environment;
 - Good communication skills and ability to develop and lead projects;
 - Experience in intra- and extra cranial stereotactic radiation therapy;
 - At least 5 years of work experience in a Radiation Oncology Department;
 - Experience in planning (RA and IMRT), medical imaging (CT, 4D-CT, PET and MRI) and patient and machine QA;
 - Diploma of the Society of Radiation Physicists of Switzerland (SSRPM) or EU conform qualifications;
 - Diploma of expert Radiation Protection;
 - Fluent in English, at least intermediate level of French.
- Technical Platform:
 - 1 Varian Clinac with OBI and FFF, ARIA v.13.7, Eclipse TPS (AAA and Acuros XB algorithms), Insightive and Velocity;
 - Project of Clinac replacement;
 - 1 Philips Big Bore 4D CT;
 - 1 PET/CT in radiation positioning;
 - 3D, IMRT, RapidArc;
 - Breath-hold techniques with RPM and Dyn'R.
- For more information, please contact:
 - Mrs. S. Thengumpallil, SSRPM Medical Physicist, Tel: + 41 22 545 29 29
e-mail: sheeba.thengumpallil@grangettes.ch
- Send your candidature with motivation letter and CV before 31 January 2019 to:
 - Mrs. M. Pinget-Mermillod, Clinique des Grangettes - Hirslanden, Human Resources,
Chemin des Grangettes 7, CH-1224 Chêne-Bougeries
