DESCRIPTION OF THE SSRMP WORKING GROUP

Working group name: SSRMP comments to the revision of the Radiation Protection Law (Strahlenschutzgesetzes).

Chair person: Margherita Casiraghi

Aims and roadmap: The Eidgenössische Departement des Innern (EDI) is revising the radiation protection law and opened the consultations for the revision. The SSRMP society was asked to provide comments and remarks to the revised articles of the law and to the explanatory report. This work group is going to review the documents and submit a revision proposal to the SSRMP board.

The main points of the RPL revision are related to the attribution of the expenses for the radiation protection in particular:

- expenses for the distribution of iodine tablets
- expenses for the decontamination of contaminated areas
- expenses for nuclear waste disposal
- expenses for radioactivity release surveillance

Other topics of revision are:

- criminal provisions
- protection of data

Timeline:

- **End of April/beginning of May:** online meeting with the WG members
- **1st of June** submission of the *Antwortformular* with remarks and revision suggestion to the SSRMP board for approval
- **19th of June** submission of the *Antwortformular* to the EDI

Start date: April 2023

End date: June 2023

SSRMP members interested to give their contribution can contact Margherita.casiraghi@eoc.ch by the **20th of April**
