

Member of the European Federation of Organisations for Medical Physics (EFOMP) and the International Organization for Medical Physics (IOMP)

Exam for the Certification in Medical Physics SSRMP – Registration

Desired Certification:

Field	<input type="checkbox"/> Radiation Physics	<input type="checkbox"/> Medical Imaging
Specialisation	<input type="checkbox"/> Radiation Oncology	<input type="checkbox"/> Radio Diagnostics with X-rays
	<input type="checkbox"/> Radio Diagnostics with X-rays	<input type="checkbox"/> Radio Diagnostics without X-rays
	<input type="checkbox"/> Nuclear Medicine	<input type="checkbox"/> Nuclear Medicine

Personal data:

Family Name		First Name	
-------------	--	------------	--

Coordinates:

Institution			
e-Mail		Mobile number	

Education/ Qualification:

Master in Medical Physics	<input type="checkbox"/> No <input type="checkbox"/> MAS ETHZ, Year: _____ <input type="checkbox"/> Yes, please specify: University: _____ Year: _____
Foreign Certification	<input type="checkbox"/> No <input type="checkbox"/> Yes, which: _____
SSRMP Certification	<input type="checkbox"/> No <input type="checkbox"/> Radiation Physics <input type="checkbox"/> Medical Imaging

Exam-Language:

Written Exam	<input type="checkbox"/> German	<input type="checkbox"/> French	<input type="checkbox"/> Italian	<input type="checkbox"/> English
Oral Exam	<input type="checkbox"/> German	<input type="checkbox"/> French	<input type="checkbox"/> English	

For candidates with Master of Advanced Studies (ETHZ) or Master in medical physics or foreign or SSRMP certification the written exam is waived.

Schedule and due dates:

The summary of the process and timeline can be found in the appendix of the *Annexe IV: Examination regulations SSRMP Certification in Medical Physics* (https://ssrpm.ch/wp-content/uploads/2024/01/Examination-Regulations_2023_12_13.pdf)

Reminder:

Please check whether you still have to submit part of the following documentation.

- A copy of the certificate of attendance of the required radiation protection courses (in case of foreign radiation protection course the equivalence to a Swiss course has to be confirmed by the Federal Office of Public Health)
- All annual mentor reports (not required in case of foreign certification)
- Written "diploma work" or equivalent publication (not required in case of foreign certification)

Contacts:

Please send this completed form and your documentation to the chairperson of the education committee by 1 July. For further help or assistance please contact chair.education@ssrpm.ch.

By signing this document I definitively register for the exam in the current year!
